Assignment of Dental Insurance Benefits

We are a participating provider with **Delta Dental Premier**. Insurance **assignments will be accepted** as long as you are not restricted to a list of participating providers other than **Delta Dental Premier**. It is in the patient's best interest to please have your insurance company either inform you of your benefits or have them fax a copy of your breakdown of benefits to Children's Dental Center, LLC at 317-842-8741. It is our pleasure to file insurance claims for you. All co-pays, deductibles, or non-covered services will be collected at the time of service. If you are over your insurance maximum, we will expect payment at the time of service. We will need all updated and current information prior to the day of the appointment if you are returning for treatment. If insurance information is not updated before your appointment, we will expect you to pay for the services and let your insurance company reimburse you. Any charges not covered by your insurance company or unpaid claims after 30 days are your responsibility and will be due in full (10) days after being notified. A current copy of your insurance card must be kept on file. Our office reserves the right to discontinue and/or refuse to submit claims.

Service Charges and Delinquent Accounts A \$20.00 fee will be assessed for all returned checks. A 1.5% finance charge will be assessed for all balances over 30 days. Our office reserves the right to pursue any other remedy by law. Account balances that exceed 90 days may be pursued through a third party collections agency. All reasonable expenses incurred in the collections process will be the account holder's responsibility.

Saturday Appointments Payment of your portion of treatment is required in advance to reserve a Saturday appointment.

Failed & Cancelled Appointments Appointment times are reserved especially for you. Please allow 24 hours cancellation notice so that we may have the opportunity to offer that time to another patient. A charge of up to 50% of the planned procedure may be assessed if an appointment is failed.

***CareCredit is a convenient, low minimum monthly payment program specifically designed to pay for healthcare and elective treatment not covered by your insurance.**
